

September 2023

Dear Theodor Kramer Parents, welcome to a new school year!

We, the Parents' Association of AHS Theodor Kramer School, would like to inform you about some of our activities and the benefits of becoming a member.

We represent the rights and interests of both pupils and parents within the school community and take part in the board meetings of the School Association Committee (SGA – Schulgemeinschaftsausschuss) and represent the parents towards the Ministry of Education via the national Parents' Association Union.

In order to fulfil our function, our association needs active members and the contribution of a membership fee to help fund various school activities. This membership fee provides the main funding which in turn enables the Parents' Association to act to benefit the students.

With the payment of the membership fee, you accept the current data protection statement which can be found on our homepage: <https://www.evtheodor.at>.

How is your membership fee used?

- Purchase of teaching materials, not covered by the school budget, that enhance or improve the quality of lessons (e.g. Antolin, Anton App,...)
- We are happy that school events, language trips and project days can take place again, which the PA also supports financially.
- Supporting families with financial difficulties to enable their children to take part in class activities
- Provision of accident insurance that covers extra expenses incurred due to accidents either at school and on school trips both in Austria and abroad
- Farewell gift for Matura graduates
- Financial and organizational support at school events (e.g. Graduation Ceremony, School Ball, Theo Day, etc.)
- Financial support of extra- curricular activities and afternoon care.

Which benefits are available to you as a member?

- Availability of a locker in the school's cloakroom
- Provision of accident insurance on school trips
- Support through the Parents' Association and the Union (e.g. free legal advice on school matters)

All of this is only possible if you join the Parents' Association by paying your membership fee and getting actively involved!

Your membership fee for the coming school year can already be paid, please refer to the next page for the relevant amount and bank details.

Kind regards,

Parents' Association at AHS Theodor Kramer

Parents' Association Membership Fee and Cloakroom Lockers

1.) Payment information

Parents' Association bank account details at Erste Bank: **AT98 2011 1000 0720 2881**

BIC: **GIBAATWWXXX** (not necessary for transfers within Austria)

Account name: **Elternverein des BG und BRG Theodor Kramer-Straße 3**

Purpose of payment (Verwendungszweck): Family name, first name of 1st child & class, first name of 2nd child & class, etc.

Please list the **names and classes of all your children** attending Theodor Kramer in the "purpose of payment" section to enable us to identify siblings.

How is the Parents' Association fee calculated?

€30 ---> 1 child, includes 1 locker

€30 ---> 2 children, includes 1 locker (ie. shared)

€30 ---> 3 children, includes 2 lockers (ie. shared)

€40 ---> 2 children + 2 lockers

€40 ---> 3 children + 3 lockers

If you have children at another school:

€15 ---> 1 child at Theodor Kramer + 1 child at another school

€10 ---> 1 child at Theodor Kramer + 2 children at another school

€20 ---> 2 children at Theodor Kramer (sharing 1 locker) + 1 child at another school €15 ---> 2 children at Theodor Kramer (sharing 1 locker) + 2 children at another school

If the above does not apply to you, the formula for calculating your fee is as follows:

$(€30 \div \text{total number of children of school age}) \times (\text{number of children at Theodor Kramer}) + €10$ if you wish to have a separate locker.

2.) Padlocks for lockers

Each locker owner is required to provide their own padlock (padlocks with a shackle or shank of maximum 6mm diameter will fit).

3.) Allocation of lockers

New assignments as well as changes are only possible by e-mail communication to spind@evtheodor.at !

The Parents Association provides their members with lockers free-of-charge.

Using a locker without prior registration will result in forceful opening, which will naturally render the padlock unusable.

Please pay the Parents' Association fee by 22nd October 2023 into the account named above.

Afterwards we are going to check the incoming amounts and compare them with the used lockers.

Lockers that are used without membership are going to be opened after a warning notice.
