September 2019

Dear Theodor Kramer Parents, welcome to a new school year!

We, the Parents´ Association of Theodor Kramerstrasse School, would like to inform you about some of our activities and the benefits of becoming a member.

We represent the rights and interests of both pupils and parents in the school community. We represent you at important board meetings eg. School Association Committee (SGA – Schulgemeinschaftausschuss) and via the Parents´ Association Union at the Board of Education and Ministry of Education.

In order to fulfil our function our Association needs active members and charges a membership fee to help fund various school activities. This membership fee is the only source of funding the Parents´Association receives and provides us with a financial basis for our activities. With your membership we have the power to act!

In order to contact currant members, you accept with the payment of the membership fee the data protection statement. The exact data protection statement can be found on our homepage.

How is your membership fee used?

- Purchase of teaching materials, not covered by the school budget, that enhance or improve the quality of classes
- Supporting class and language trips to reduce the costs
- Supporting families with financial difficulties to enable their children to take part in class activities
- Provision of accident insurance that covers extra expenses incurred due to accidents at school and on school trips both in Austria and abroad
- Farewell gift for Matura graduates
- Financial and organizational support at school events (eg. Graduation Ceremony, School Ball, Theo-Day, etc.)

What benefits are available to you as a member?

- Availability of a locker in the school´s cloakroom
- Provision of accident insurance on school trips
- Support through the Parents´Association and the Union (eg. free legal advice on school matters)

All of this is only possible if you join the Parents Association by paying your membership fee and become active by voluntarily donating some of your free time and effort!

Your membership fee for the coming school year can already be paid, please refer to the next page for the relevant amount and bank details.

Pre-prepared payment slips are no longer available – in the age of internet banking we encourage you to save paper and be environmentally friendly!

With best regards

Parent's Association Team

Fee Information: Parents´ Association Membership Fee and Cloakroom Lockers

1) Payment information:

Parents´ Association bank account details at Bank Austria:

IBAN: **AT98 2011 1000 0720 2881**

BIC: GIBAATWWXXX (not necessary for inland transfers)

Account name: **Elternverein des BG und BRG Theodor Kramer-Straße 3**

Purpose of payment (Verwendungszweck): Family name, First name of 1st child & Class, First name of 2nd child & Class, etc.

Please list the **names and classes of all children** attending Theodor Kramer in the "purpose of payment" section to enable us to recognize siblings.

How is the Parents´ Association fee calculated?

€30 ---> 1 child, includes 1 locker

€30 —--> 2 children, includes 1 locker (ie. shared)

€30 ---> 3 children, includes 2 lockers (ie. shared)

€40 —--> 2 children + 2 lockers

€40 —--> 3 children + 3 lockers

If you have children at another school:

€15 —--> 1 child at Theodor Kramer + 1 child at another school

€10 —--> 1 child at Theodor Kramer + 2 children at another school

€20 —--> 2 children at Theodor Kramer (sharing 1 locker) + 1 child at another school

€15 ---> 2 children at Theodor Kramer (sharing 1 locker) + 2 children at another school

If the above does not apply to you, the formula for calculating your fee is as follows:

(€30 ÷ total number of children of school age) x (number of children at Theodor Kramer) + €10 if you wish to have a separate locker.

2) Padlocks for lockers

Each locker owner is required to provide their own padlock (padlocks with a shackle or shank of maximum 6mm diameter will fit).

3) Allocation of lockers

New assignments as well as changes to, complains about and repair of assigned lockers are only possible by either e-mail communication to spind@evtheodor.at or the admin-office of the school.

The Parents Association provides free-of-charge- lockers to its members. Using a locker without prior registration with the parents association could result in forceful opening, which could render the padlock unusable. Content of forcefully opened lockers will be temporarily stored by the Parents Association and disposed of after reasonable time.
Please pay the Parents Association fee until 27th of October 2019 on our account named above. Afterwards we are going to check the incomes and compare them with the used lockers. Lockers that are used without membership are going to be opened after a warning notice.
